GIRL SCOUT SCAVENGER HUNT

During this scavenger hunt, the group will be split into teams where they will have to complete a series of challenges and tasks on an iPad. All the tasks will be pertaining to the Girl Scouts of America which were founded in Savannah. At the end of the activity, a monetary donation can be given to the organization.

DOWNTOWN SCAVENGER HUNT

Our modern-day scavenger hunt is the perfect way for teams to explore their surroundings using iPads and our custom GPS app. They'll navigate to various GPS hotspots to collect photos, video and other hilarious target items.

CORPORATE OLYMPICS

From opening ceremony to closing awards presentation, Corporate Olympics is the perfect non-athletic entertainment for your company picnic, employee meeting or annual corporate outing. Competition has never been more fun.

CORPORATE SURVIVOR

Based on the popular reality show, this high-energy outdoor team building event features a variety of fun team games. The experience is designed to gently challenge each tribe member mentally, physically and emotionally.

THE BIG PICTURE

In this event, your group produces a giant mural made up of many separate canvasses. First, small teams collaborate to complete their own sections. Once finished, all sections are assembled to reveal the full masterpiece.

CREATE A WINNING DYNAMIC

BEAT THE BOX

From the very first moments, it's clear that every aspect of this team building challenge has been designed to leverage the benefits of gamification. That translates into serious engagement plus major fun. There are no lengthy introductions – just a short, thrilling video to catapult the players into the game.

IN IT TO WIN IT

Inspired by a hit TV show, our version takes fun, friendly competition to a whole new level. Teams battle it out over a wide range of hilarious 60-second challenges. Easily one of our most popular events, year after year.

THE CHARITY BIKE BUILD

This charity bike build inspires people to work harder and more passionately than if they were just working for themselves. It's a great opportunity to practice teamwork and collaboration with a clear positive goal in mind. If there's such a thing as the perfect team building event, this is surely it.

GOLF FOR A CAUSE

The golf course has always been a popular destination for business networking and relationship building. We've taken this concept indoors with a fun, engaging mini version that allows players to give back in a meaningful way.

MR. ROBOTO

This STEM-based robot build is a great way to keep up with the latest technology while developing essential team skills that deliver proven benefits within any organization. To succeed, winning teams must rely on clear communication, teamwork and leadership to outperform the other bots in the finale. Teams also prepare presentations to demonstrate the features they'd include if they could design a robot to work alongside them.
